

# ORANGE COUNTY BAR ASSOCIATION OFFERING 27 SPECIALTY SECTIONS

## STAY INFORMED, STAY CONNECTED.

Joining a section is a great source for networking among peers and CLE in your area of practice. As a section member, attendance is complimentary; lunch is available for purchase.

### ALTERNATIVE DISPUTE RESOLUTION SECTION

A forum for the exchange of ideas, examination of trends in the field, and professional development of members interested in alternative dispute resolution.

### APPELLATE LAW SECTION

Reviews the procedural aspects of California appellate practice for the purpose of recommending legislative changes, as well as changes in the California Rules of Court. Monitors legislative proposals and studies by special committees which may affect California appellate practice.

### BANKING & LENDING SECTION

A forum devoted to the problems and concerns of attorneys who work for or otherwise represent financial institutions and/or providers of financial services.

### BUSINESS & CORPORATE LAW SECTION

Concerns substantive areas within the practice of business and corporate law, discussing current issues in tax, labor, securities, and corporate law.

### BUSINESS LITIGATION SECTION

Concerns areas of law involving business and commercial litigation, including alternative dispute resolution and recent developments in statutory case law.

### COMMERCIAL LAW & BANKRUPTCY SECTION

Presents programming in areas involving commercial transactions, particularly Uniform Commercial and Bankruptcy Codes.

### CONSERVATORSHIP, GUARDIANSHIP, & PROTECTIVE PROCEEDINGS SECTION

Provides a forum and meeting place to discuss current law, practice, problems, changes, trends, and procedures in the practice of protective proceedings; fosters open discussions between the bar and bench; and develops and assist in the formulation of practice procedures, legislation and implementation.

### CONSTRUCTION LAW SECTION

Meetings address the legal aspects of engineering, architecture, and the construction process.

### CORPORATE COUNSEL SECTION

(Open only to in-house corporate counsel)

Furtheres the knowledge of OCBA members concerning the practice of law within in-house corporate legal departments.

### CRIMINAL LAW SECTION

Embraces all aspects of criminal law procedure and practice before state and federal courts.

### ELDER LAW SECTION

Presentations focus on educating the elderly public on legal rights and accessibility to legal services.

### ENTERTAINMENT, SPORTS, & MARKETING LAW SECTION

Focuses on an array of cutting-edge issues, including video game licensing, film production and finance, music recording contracts, sports agent representation, TV production and syndication, children's advertising, celebrity endorsements, athlete and spectator liabilities, social media, "green" advertising, and toy manufacturing.

### ENVIRONMENTAL LAW SECTION

Provides attorneys with programs geared toward the toxic and environmental concerns of government and businesses in meeting environmental and social responsibilities.

### FAMILY LAW SECTION

Provides family law attorneys with updates on procedure, support, tax considerations, community property, and the legal and psychological aspects of child custody. Provides judges pro tem as well as a panel of private agreement judges to hear family law matters.

### HEALTH CARE LAW SECTION

Networking and education for health care attorneys, featuring presentations on topics such as Stark Law, False Claims, HIPAA, HITECH, EMTALA, Medical Malpractice, Anti-Trust, Anti-Kick Back, Compliance, Health Care Reform, Medicare, Medi-Cal, Managed Care, and more.

### IMMIGRATION LAW SECTION

Produces educational programs geared to practitioners at varying levels of experience and monitors federal immigration legislation and comments on proposed regulations affecting immigration practitioners.

### INSURANCE LAW SECTION

Educates the members of the section on all facets of insurance law and claims practice and procedures, including recent developments in statutory, regulatory, and case laws.

### INTELLECTUAL PROPERTY & TECHNOLOGY LAW SECTION

Addresses the acquisition, protection, and commercial exploitation of all types of technology and bio-technology.

### INTERNATIONAL LAW SECTION

Examines issues affecting the practice of international law.

### LABOR & EMPLOYMENT LAW SECTION

Reviews areas of law of interest to the labor practitioner representing management, unions, and employers.

### REAL ESTATE LAW SECTION

Concerns the substantive law in the field of real estate; assists the OCBA in proposing legislation affecting real estate.

### SOCIAL SECURITY SECTION

Concerns all facets of Social Security law practice and procedure, including recent developments in statutory case law.

### SOLO PRACTITIONER/SMALL FIRM SECTION

Provides programs which guide attorneys regarding successful ways to operate a law practice—more efficiently and cost effectively.

### TAX SECTION

Concerns all facets of tax law practice and procedure.

### TORT & TRIAL

Provides a forum to educate and inform members of recent developments in Product Liability and Special Torts such as personal injury and property cases. The Section covers litigation strategy and trial tactics, as well as appropriate regulatory issues.

### TRUSTS & ESTATES SECTION

Programs cover substantive and procedural law governing trustees, probate estates, guardianships, conservatorships, and related matters.

### WORKERS' COMPENSATION SECTION

Concerns workers' compensation law, practice, and procedure in various aspects of workers' compensation.
