

SAN DIEGO SUPERIOR COURT – STAFF ATTORNEY (LEGAL RESEARCH)

San Diego Superior Court is currently accepting applications from qualified candidates for Staff Attorney in its Legal Services Division. Incumbents gather information regarding legal motions, pleadings and writs; identify, research and analyze legal issues; and prepare comprehensive memoranda and summary ad hoc reports.

Staff Attorneys may have various assignments and may work at any division of the San Diego Superior Court. However, the immediate vacancy is for a position supporting the family law bench, and thus experience in family law is highly desirable. In addition, while the interested individual should be willing to work at any division of the Court, it is anticipated that this position will likely be located in the North County Division of the Superior Court, located in Vista. Applicants with other types of experience (e.g., civil, criminal, probate, juvenile, appellate) are encouraged to apply if they are interested in being considered for any other future positions that may be filled from the list created as a result of this announcement.

Applicants must be current active members in good standing with the State Bar of California. NOTE: Experience as an intern/extern or attorney with a trial court, is highly desirable.

The detailed Job Announcement and application materials are available on the San Diego Superior Court website at www.sdcourt.ca.gov under the Employment Section or by calling the Court's Job Hotline at (619) 450-5222. The approximate annual salary range is \$71,156 - \$128,003.
