You know your child best... Discover a key strategy that will empower you to know your child even better. As parents we want to ensure that our children are developing on target and to identify any areas where they might need a little extra boost. Pretend City Children's Museum will introduce us to a powerful tool to help celebrate the milestones your child has reached and answer questions about what you can do next to support your child's continued healthy development.

Join us for this Mommy Esquire exclusive presentation to learn more from the experts at Pretend City Children's Museum about all the resources and support they provide to help your child grow and thrive!

If you would like to sponsor lunch, please contact Abby Meyer at [ameyer@sheppardmullin.com](mailto:ameyer@sheppardmullin.com)
