

They're fast, effective and best of all--they're on the house! Choose from a menu of sessions and discover powerful tools and proven techniques to help your business.

LexisNexis® IP Power Pack for Solo Practitioners

WEBINAR (20 Minutes)

Date: 3/18/2010 3:00 PM EST

In this 20-minute Webinar, you'll learn about a unique opportunity to experience the combination of TotalPatent(TM) and PatentOptimizer(TM) in the **IP PowerPack for Solo Practitioners**. This promotion is specifically designed for the solo practitioner and priced accordingly. We'll give an overview of the promotion and demonstrate how to utilize the PowerPack to research patents efficiently and confidently using 27 full-text patent authorities and true semantic search technology available with TotalPatent. Next, you'll learn how to streamline your analysis with PatentOptimizer--designed by patent professionals to help save time and enhance the quality of patent drafting and analysis. A special note to skeptics: This is not a "light" version that is stripped of features, content, or functionality. You'll get the full solution--at a price that will pleasantly surprise you.
