K&L Gates Named Among “Awesome Opponents” in Litigation

Pittsburgh - Global law firm **K&L Gates LLP** has been recognized as one of 11 “Awesome Opponents” across the area of litigation in a survey of corporate counsel and in-house litigation heads by the BTI Consulting Group. The recognition is the result of the firm’s strong rankings by clients in a number of the survey’s litigation categories. K&L Gates earned ratings as a “Powerhouse” or “Standout” firm in at least half a dozen categories, including Everyday Commercial Litigation, Complex Commercial Litigation, Intellectual Property Litigation, Securities and Finance Litigation, Class Actions Litigation, and Product Liability Litigation.

Based on interviews with legal decision makers responsible for litigation at large organizations with \$1 billion or more in revenue and across more than 15 industries, the “BTI Litigation Outlook 2017” survey ranks 650 firms according to respondents’ unprompted identification of their preferred law firms within a number of different areas of litigation.
