Law Firm Cyber Security: Ethical Obligations and Insurance

1. As a lawyer, what are my cyber risks — do they depend on the size of my firm and my practice area?
2. Are there minimum security protections that every lawyer should have in place?
3. Doesn't my malpractice insurance policy protect me already?
4. What are the coverage gaps in the cyber risk policies currently available for lawyers? In other words, what should be considered (in addition to price) when buying cyber insurance for lawyers?
