

# Advocating for the Advocate: Identifying, Preventing, and Recovering From Secondary Trauma

Speaker:

**Diane Bass, Esq.**

*The Law Office of Diane C. Bass*

Join Criminal Defense Attorney and OCBA Lawyer Well-Being Task Force member, Diane Bass, for this informative presentation on Secondary Trauma.

Secondary Trauma describes the experiences of many individuals exposed to the trauma of others as a result of their work. Attorneys have been shown to develop psychological symptoms as a result of repeated exposure to traumatic events of those they serve. Being aware of this issue is critical to our ability to be mentally, emotionally and physically able to competently represent our clients.
