

The Orange County Bar Association Supports SPARK of LOVE TOY DRIVE

An OCBA Community Outreach Committee Activity

Event Co-Chairs: Grant Nigolian and Kimberly Trinkaus

Join us this holiday season in making a child's holiday special, by donating new, unwrapped toys or sports equipment in the 23rd Annual Spark of Love Toy Drive! Coordinated by ABC7 and Southern California Firefighters, the Spark of Love Toy Drive has successfully collected over 7.5 million toys for disadvantaged children and teens.

Donations will be distributed to Orange County children of all ages who may otherwise go without. Gift cards are accepted, and toys for teenagers are appreciated. Your donations will bring holiday cheer to disadvantaged children throughout the County – make your donation today.
