DONATIONS DRIVE FOR VETERANS IN NEED

5th Annual Orange County Stand Down

Serving Veterans in need

An OCBA Community Outreach Activity

During the month of September 2015 the OCBA is collecting supplies for veterans who are homeless, displaced, disabled, or otherwise in transition.

The donations drive will benefit the 5th Annual Orange County Stand Down event which helps at-risk veterans and their families receive basic social services from a variety of community and government agencies. Donated items collected will be distributed to veterans at the Orange County Stand Down event in October. (orangecountystanddown.com)
