

Associate Attorney - Employment Law

Stability Technology is looking for a sharp and driven **Associate Attorney - Employment Law** to join our client's legal team.

This position is perm and remote.

The candidate would manage various types of employment cases including discrimination, wrongful termination, wage and hour, retaliation, PAGA, and sexual harassment litigation matters. While the candidate would have significant autonomy in managing their cases, they believe in creating a collaborative environment and the candidate will be working closely with the managing partner and other attorneys to strategize and obtain the best possible result for the clients.

Responsibilities

- Conducting legal research on various employment law issues to support cases, client consultations, and legal opinions.
- Analyzing statutes, regulations, case law, and other legal sources to provide informed advice and strategies
- Drafting legal documents including complaints, answers, motions, and briefs
- Maintaining case files, tracking deadlines, and communicating with clients, opposing counsel, and the court
- Assisting senior attorneys in all aspects of litigation, including drafting pleadings, conducting discoveries, and preparing witnesses

Qualifications

- Minimum of 3+ years of experience in employment litigation
- Strong writing and research skills
- Excellent organizational and multitasking abilities, with keen attention to detail
- Proficiency in legal research tools and software

Salary is base plus bonus/commissions
