Personal Protective Equipment (PPE) Donations Drive

Event Co-Chairs: Jared De Jong and John Fujii

Given the unprecedented issues impacting the Orange County healthcare community, to help the local hospitals and health care providers with the shortage of PPE during the COVID-19 pandemic, we are asking all OCBA members to donate any PPE that they or their friends or family may have available. At this time, we understand that the donated PPE must be in new and unopened containers and boxes. We are not asking members to buy any PPE to donate as this will further exacerbate the already impacted supply chain.

Examples of such PPE that can be donated are the following:

1. **N-95, surgical masks and face shields (all sizes)**
2. **Disposable gloves (all sizes)**
3. **Eye protection**
4. **Medical gowns -- disposable gowns and isolation gowns**
5. **Antibacterial and disinfecting wipes**

Because the OCBA office is closed at this time, and because local hospitals and health care providers are in urgent need of PPE, we are asking OCBA members to donate any of these items directly to the local hospitals (such as UCI Medical Center, Kaiser Irvine, St. Joseph Heritage Anaheim/Brea and more) listed in the below link:

We as attorneys may also have clients who have access to PPE. As we are sure many of you have already done, please contact your clients who have access to local supplies of PPE that can be provided to the Orange County healthcare community. The Orange County Healthcare Agency is accepting donations from corporations and businesses. Businesses that would like to donate can call (714) 628-7085.

Thank you for your support and generosity.
We wish for everyone to stay safe and healthy.

Due to the Governor's stay-at-home order, at this time, the OCBA Community Outreach Committee's in-person events have been canceled.

For questions, contact OCBA Community Outreach Committee Co-Chairs Jared De Jong or John Fujii at jdj@paynefears.com or jfujii@silverwrightlaw.com.
