VIRTUAL HOLIDAY TOY DRIVE

Drive will run now through **December 20, 2021**

Donations can be made to CHOC Raise Up and will benefit
CHOC Foundation's Child Life, Helping Kids Stay Kids.

Hospitalization can be stressful and scary, especially for children and adolescents. These fears may disrupt the essential healing that they need. To counteract these potential issues, CHOC helps patients normalize their hospital stay through its Child Life program. Your donation will go towards toys for children and adolescents during this holiday season.
