GREENING YOUR SPRING CLEANING:

A Tour of ECOS' Sustainable Manufacturing Facility & Hosted Lunch

ECOS.

FRIDAY, MAY 16, 2025

11:30AM TO 1:00PM @ ECOS'S HEADQUARTERS, 11150 HOPE ST., CYPRESS, CA

Join us for an exclusive behind-the-scenes tour of ECOS' zero-waste, carbon neutral, and water neutral manufacturing plant and international corporate headquarters, led by the in-house team. Learn about the benefits of green cleaning and practical tips to keep toxic chemicals out of your home, ensuring a safer environment for your children and loved ones.

The tour will also include a hosted organic lunch and conversation with ECOS' green chemists!

Hosted by Amber Enriquez, she serves as General Counsel and Corporate Secretary for ECOS, the privately held American manufacturer of the green cleaning products. Since joining ECOS full-time in 2009, she has quickly risen from an operations and administrative role to forming the company's first legal department and joining the company's C-suite. Amber directs legal and sustainability strategies and operations for the company's four U.S. manufacturing facilities in California, Illinois, New Jersey, and Washington, as well as global sales and operations in Greece.

Hosted lunch. Complimentary for Mommy Esq. Committee Members
