Auto Insurance: Unwinding a Bird's Nest

Auto Insurance. Everyone "should" have it. But you never know whether the "other person's" auto insurance is "good" - or how "good" your auto insurance really is - until after there has been an accident. This presentation is a view from the trenches like you have never seen before as told by two experienced trial lawyers whose careers have focused on personal injury cases and obtaining auto insurance (and other insurance) recoveries for their clients. This is a can't miss event.
