

# FROM HIPAA TO HRSA: 2025 HEALTHCARE INDUSTRY UPDATES, CYBERSECURITY CHALLENGES, AND INSURANCE COVERAGE CONSIDERATIONS

MONDAY, MARCH 24TH 2025

Registration: 11:30 AM | Program: 12:00PM – 1:00PM

This presentation will address some of the major changes and trends impacting the healthcare industry that can lead to government investigations, audits, and litigation. First, the Department of Health and Human Services (HHS) is proposing major modifications to the HIPAA Security Rule with the intent to better protect ePHI and we will discuss how these cybersecurity updates will impact businesses before the end of the year. Similarly, we are seeing an uptick in COVID-19 government investigations and audits related to HRSA's COVID-19 Uninsured Program. We will discuss how to navigate this complex landscape, proactively safeguard data and records, cooperate with the government, and deal with insurance coverage issues.
