Animal Law affects different aspects of our lives. As attorneys, we may encounter Animal Law issues in legislative work, legal representation (criminal or civil) and counseling newer industries. Animal Law issues may arise in cases and with clients that have Consumer Protection, Environmental, Criminal, Family Law, Trust and Estate, Elder, Insurance, Contractual, Employment, Real Estate, Business, Intellectual Property, International Law, or Constitutional Law issues. And for some Animal Law attorneys, they may have opportunities to set ground-breaking precedent. Join us to hear a few of the legal issues non-animal law attorneys may face in their practice.
